# FunTeam Alberta Sport Operations Grant

## Background

FunTeam Alberta was created with the simple idea that anyone could participate in sport. No matter the skill, age, or previous experience we wanted to create an environment for sport that fostered fun and skill development, there was no external pressures to perform at a certain level, or barriers to participating. Volunteers would be parents or active members in the community that wanted to bring something to their families that could be enjoyed and only positive environments created.

We want FunTeam Alberta groups to be in communities across the province but we also want them to be successful for a number of years in the future. It's important that our organization is able to support the growth of the group and the needs the groups have from the day of their inception to when the moment they reach 100+ members.

## Grant Information

This grant is **ONLY** eligible for FunTeam groups in good standing with the organization. We want to provide financial assistance to groups so they can successfully deliver an authentic FunTeam experience in the form of a grant up to \$500 to assist with operational costs.
